COLORING CONTEST

Congratulations to Stockton for winning the September coloring contest.

REVIEWING YOUR BILLS

Please don't forget to look at your bill. Every effort is made to make sure it's accurate, but we don't always know what customers have going on at their property. For example:

- It is not uncommon for a home to be vacant and show zero usage. If your bill shows 0 usage and you are living there you might want to give us a call and have us check your meter to avoid a large bill when it does report a read.
- It is also not uncommon, especially in the summer, for yard enthusiasts to use 100K+ gallons per month. If your bill shows usage and you are not there, you might want to have someone check it out, you could have a leak!

These are simple indicators to account owners of problems that we would have a hard time detecting. You can review and compare your bills online 24/7 by setting up your online account at www.xpressbillpay.com

COVID-19 UPDATES

Visit coronavirus.utah.gov and/or centralutahpublichealth.org for current updates regarding the current situation.

LIGHT PARADE ENTRIES

Now is the time to start thinking about your light parade entries.

CERT TRAINING

October 14th 7PM at the Community Center (small rooms). Everyone is welcome to attend and join the Community Emergency Response Team.

CLEAN UP

Fall cleanup will be November 6-7. You must call into the office and be on the list. Green waste must be separate from other items. In recent years both spring and fall cleanup have been exceeding resources; meaning we may have to impose restrictions or qualifiers. If you have the ability and/or resources to remove your own items, please do so. We CANNOT take construction debris or accumulation from major projects, such as tree trimming. Property owners should make sure that waste removal is included when arranging the project. Consolidated neighborhood piles would also be helpful. Doing these things, may help keep the service available and our City looking great. Thank you!

FIRE PREVENTION WEEK

In lieu of the Annual Open House, the Fire Department will be hosing a Trunk or Treat OR Drive Thru on 10/31 from 1-3PM at the fire station. Watch social media for final details.

BURNING

It is NEVER okay to burn HOUSEHOLD garbage. Millard County had a transfer station that you already pay to use; might as well take advantage.

DRIVE THRU, PREVENT THE FLU

Thursday October 8, 2020 from 2-6PM at the Delta Fire Station. Wear a short-sleeved shirt, or shorts for the little kids. 435-896-5451

LOOKING FOR WORK

Elwood Staffing has a variety of opportunities available for immediate employment.

BUILDING

-A final building inspection is not the only requirement for a Certificate of Occupancy. Code enforcement officer(s), fire, etc. may need to sign off too. Please check with the City Office and pick up a copy of the C of O prior to occupying your new construction.

-We will let you know when your permit is ready.

-The City cannot resolve property line disputes; they are civil matters.
